

Barnside Condominium, Inc.
Board Meeting Highlights
May 19, 2026

- * **CONCRETE WORK UPDATE:** Management provided an update regarding the concrete work completed in the community.
- * **EXTERMINATION SERVICE UPDATE:** Management provided an update regarding extermination proposals. All proposals should be received prior to the June meeting.
- * **BULK-TRASH PROGRAM:** Management has received a large number of complaints regarding bulk-trash being left on the common areas. The Board has approved Management to obtain proposals for a bulk-trash program.
- * **INSPECTION UPDATE:** The first round of inspections were conducted on 5/12. Owners have until July 21, 2026 to complete the repairs. Any owners with outstanding work will be sent another letter.
- * **ANNUAL WATERING:** The Board approved the watering of the entrance flower beds.
- * **ON-LINE HOMEOWNER ACCOUNT ACCESS:** Did you know that Barnside homeowners have on-line access to their account through CVI's management portal? https://frontsteps.cloud/CaliberWeb2_CondominiumVenture This is a great tool to check your account balance, link to make payments, see documents in your file (such as violation notices, correspondence, etc.) and submit service requests. Need help with log-in information? Contact skennedy@cviinc.com to have the information re-sent to you.
- * **CHANGES TO THE EXTERIOR OF YOUR HOME:** Any changes to the exterior of your home – i.e. new roof, windows, doors, etc. – requires approval from the Board of Directors PRIOR to beginning the work. There have been several recent issues with owners replacing roofs without approval, and the wrong roof colors are being installed. Barnside has a set of architectural guidelines and rules/regulations that can be found on the Barnside website. Please reference those documents and submit a change application before beginning any exterior work.
- * **TRASH CANS/RECYCLING BINS:** Please remember to properly dispose your trash in tightly sealed bags or in trash cans. Trash cans/recycling bins should be set out no earlier than the evening before a scheduled pick up. Cans/bins should be brought back to your home the day of pick up; please do not allow your cans/bins to remain out in the common area for days after pick up. As a reminder: Trash pickup is on Fridays and Recycling pickup is on Wednesdays.
- * **PARKING:** As a reminder, your parking regulations allow each home to park a maximum of two (2) vehicles, including guest vehicles within the marked community parking spaces that border the

homes. Any additional vehicles should be parked in the overflow parking areas (those parking areas that do not directly border the homes) or available curb parking.
